C.MEDINA -2011-

TRAGEDIA A SEIMILA METRI - « Il portello dell'aereo si aprì all'improvviso, il vuoto d'aria risucchiò la ragazza. Io l'afferrai per la giubba, ma la stoffa si strappò e lei precipitò nel vuoto ... ». Questo ha detto Alfredo Atamendi, cassiere di bordo dell'aereo delle Aviolinee Argentine, in un drammatico racconto che potete leggere a pag. 8. (Dis. di Walter Molino)
